Selling Points

1 Mobile Performance in a Slim Design

The new look of this ultraportable Netbook brings out a fresh personality! The smooth rounded corners makes it comfortable to carry while the semi-matte cover brings a modern yet classic appeal, and is available in multiple **vivid colors**.

Less than **1" slim** and just **over 3 lbs.**, this thin & light netbook is easy to carry while you're on the go. Its 4-cell battery fits flush into the chassis, further streamlining the netbook's look and providing up to **4 hours**[1] **of cord-free battery life** on a single charge!

The Aspire One is compact yet powerful with the reliable **Intel® Celeron® Processor** that delivers the performance needed for fast web browsing, enjoying online HD entertainment and conquering your everyday computing needs.

With both **802.11b/g/n Wireless** and **10/100 Fast Ethernet LAN** connectivity available, it's simple and quick to jump on the Internet and access email, browse the web, connect to your social networks and more! Wherever you are, your world is there with you.

2 Multimedia Fun

Watch online videos, surf the Web, social network and more on the stunning **11.6" HD widescreen CineCrystal™ LED-backlit display** with 16:9 aspect ratio and Intel® HD Graphics for crystal-clear images.

Not only can you see everything better on the Acer Aspire AO756; you can see everyone. Enjoy face-to-face conversations with family and friends in high-defintion video chats with the integrated **HD Webcam and digital Microphone**.

HDMI™ output lets you take your movies, photos and more to a big-screen HDTV or external monitor through a single cable so you can share your favorite HD entertainment with family and friends!

Digital Media Card Reader lets you easily transfer your photos and files to your PC and store them on the large **320GB Hard Drive**.

3 Great Productivity

Though compact, the full-size features make it easy to stay productive thanks to the **100% standard-size keyboard** with bigger keys for more accurate typing. The **Multigesture Touchpad** delivers smooth navigation for scrolling, rotating images, zooming and browsing with your fingertips!

Evernote is an easy-to-use app that helps you remember everything across all devices you use. Stay organized, save your ideas and improve productivity.

The new **Windows 8** has been re-imagined to be all about you. Put what matters most right on your Start screen, and get instant access to your people, apps, sites and more, so you can spend less time searching and more time doing. Windows 8 is smooth, intuitive, and designed to let you do what you want, the way you want.

(1) Overall system performance is based on several PC attributes. GHZ, processor clock speed, is one of the attributes.

(2) Shared system memory may be allocated to support integrated graphics, depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by the amount of dedicated and shared system memory utilized by the graphics solution and resources required by the operating environment.

(3) 1GB is 1 billion bytes. Actual formatted capacity is less and may vary depending on preloaded materials and operating environment.

(4) Battery life varies depending on product specifications, computer settings and applications or features launched. All batteries' maximum capacity diminishes with time and use.

(5) For a free copy of the standard limited warranty end users should see a reseller where Acer products are sold or write to Acer America Corporation, Warranty Department, P.O. Box 6137, Temple, TX 76503. TFT displays commonly exhibit a small number of discolored dots, so called "nonconforming pixels." This phenomenon is a limitation of TFT LCD technology, not a product defect and, as such, is not covered by the limited warranty or by the upgrade programs. For International travelers warranty Valid only in countries where Acer has an authorized repair facility. For a list of those countries go to http://global.acer.com/support/itw.htm. or call (800) 816-2237. Services and response times may vary in countries outside the U.S. and Canada

(6) Internet access required. First 60-days of live updates included, subscriptions required post 60-days.
(7) Microsoft Office 2010 Trial included. After or during the 60-day trial purchase an Office 2010 Product Key to activate one of the following Office 2010 suites preloaded on this PC: Office Home and Student 2010, Office Home and Business 2010, Office Professional 2010.

(8) Additional fees and conditions may apply.
